

Back for a third year, **Dancing Dream ABBA Tribute Band** returns to the Avalon Theatre stage on Friday, October 17th! Last year's sold out show allowed us to provide FREE, life-saving swimming lessons to over 1,200 children and some adults throughout Talbot County.

This groovy community event offers a range of advertising opportunities to fit every budget, both in the lead up to the event and at showtime. At every level, your business will receive exposure to the Mid-Shore community and recognition for partnering with SOS to save lives!

To learn more about sponsoring this wonderful community event, or to reserve your spot today, please contact us at info@SOSSinkorSwim.org.

Thank you so much in advance for your generous, life-saving support!

Libby Moose and the SOS Council
